Train your youth to **TAKE A STAND** for Jesus Christ!

DARE TO BE A

DANIEL

How to win souls for God

If you've read the statistics, you know that 64 percent of people who come to Christ do so by age 18.

And who best to reach students?

Their friends!

In this Dare to Be a Daniel 13-Session Training Resource, you have something that is:

FLEXIBLE While it's targeted to 9- to 14-year-olds, the program can be used with both older and younger youth.

EASY This program gives you all the tools you need, right at your fingertips.

INTERACTIVE Every session is packed with creative illustrations, video segments, and interactive learning opportunities.

APPLICABLE With "Mission Possible" weekly challenges and secret pass codes that students can use online to access more fun activities and learning, there are many ways this program helps your students actually *do* the lessons, not just learn them.

EFFECTIVE It's no secret that kids who can share their faith are more likely to grow in their walk with God throughout their adult lives rather than fall away as so many church kids seem to do.

Dare to Be a Daniel 13-Session Training Resource includes:

- Durable metal case
- Leader's Guide
- 10 Field Manuals
- DVD
- CD-ROM
- 25 "Steps to Peace With God" tracts
- Set of Dare to Be a Daniel dog tags

MISSION: POSSIBLE

Your Mission, Should You Choose to Accept It ...
Imagine seeing teenagers working on your lesson topics on their own!

Now you can give students a weekly challenge, an "I dare you" that they can go out and apply at some point during the week. Again, the goal is to help the learning happen outside the class time.

Youth will gain special access to web resources

The Dare to Be a Daniel training course gives young people special online "pass codes." When entered on the DaretoBeaDaniel.com website, these codes allow them to access special bonus pages featuring monitored forums, a site blog, insightful videos, and more.

These special pages will encourage young people to go online on their own initiative to further explore and interact with the lesson focus for the week.

More Evangelism Tools

In addition to the weekly lesson activities and "Mission Possible" challenges, your Field Manual is packed with other sharing tools that young people will want to use. For example, every Field Manual includes:

Key Scripture summary

They'll have nine key Scripture memory verses to learn that will help them in sharing their faith with family and friends.

Practical answers to commonly asked questions

When faced with questions and challenges, your young people will be more prepared to give a sound, scriptural response.

Team D2BD

Once students complete the D2BD training and it's confirmed for BGEA by their teachers, the students become part of the more than 19,000-member Team D2BD.

Membership includes an ID card and access to the Team D2BD website, as well as a set of Dare to Be a Daniel dog tags. These tags are a great, practical witnessing tool, featuring key Bible verses, steps to salvation, and a sample prayer.

DARE TO BE A DANIEL

DVD

It's a sight-and-sound generation that we are attempting to reach. This fast-paced DVD is a great tool and will capture the attention of your youth.

Every session, your students will watch a powerful, poignant, sometimes funny, and always relevant video segment that helps them "connect the dots" between the central point of the lesson and their daily lives.

Perhaps even more valuable to you is how these video shorts will spark discussion among your young people!

Each video segment speaks to the core audience in language they understand.

Videos use a variety of styles designed to start discussion and drive home ideas.

Bonus videos can be used in class and are also available on the Web so that young people can watch them at home using the "secret pass code" that they receive during the lesson.

DARE TO BE A DANIEL

CD-ROM

In addition to a wealth of practical, usable printed material that comes with your Dare to Be a Daniel 13-Session Training Resource, you have a Resource CD-ROM chock-full of bonus visuals that you can use to make your lessons come alive.

These visual resources include:

All the Scripture memory verses, available in both printable and PowerPoint formats

All 13 printable "Mission Possible" take-home sheets

Full-color name tags that you can personalize and print out for each student

Full-color posters in printable and PowerPoint formats so you can effectively promote your Dare to Be a Daniel class

A variety of reproducibles that coordinate with specific lessons

Graduation certificates for students who successfully complete the program

It's not enough to raise up "church-wise" kids who know all the right answers. When the pressures and temptation to compromise come, they've got to know how to TAKE A STAND.

"Dare to Be a Daniel is an investment that is far more valuable than anything we could do with perishable money. Our kids represent nothing less than the value of eternal souls, and what better way to get them spiritually involved than training them in sharing the Good News of the Gospel?"

Greg Laurie
Harvest Christian Fellowship

"This program is a must-have for every Christian home with teens, and every youth ministry program that comes in contact with young students. We had over 50 fifth and sixth grade students in our Christian School go through this program, along with another 50 students in our Jr. High Ministry, and it has radically impacted their lives by giving them the tools to share their faith."

Tony Evans
Oak Cliff Bible Fellowship

This is a program you can use anywhere, anytime. It's ideal for:
