

LESSON 4 ACTIVITY SHEET

FOLLOWING JESUS

If you have said this prayer and are trusting Jesus, that is great news! You are a friend of Jesus and God! This is what you do next:

Tell your *Greatest Journey* leader and fill in the commitment certificate.

Talk to God at any time by praying. You can tell Him about anything that is going on and ask Him for help.

Read more about living God's way in the Bible.

Choose to live God's way. This is a decision for your whole life. This doesn't mean we will live perfect lives all the time, but we will try to live God's way and He will help us do that. If we make a mistake, we tell God about it and trust that Jesus has taken all our sin away.

Commitment Certificate

On this day I have asked Jesus Christ, God's only Son, to forgive my sins, and I commit to following Him for the rest of my life.
