A gift annuity provides these benefits:

1. A gift to share the Gospel worldwide
2. Fixed payments for life
3. A charitable contribution deduction
4. Potential income tax savings

*Rates are subject to IRS qualification tests.

Charitable gift annuities described in this rate table are issued and administered by The Cross Fund, a nonprofit corporation that is a subsidiary of the Billy Graham Evangelistic Association and which exists to support its mission.

Annuity Options

Immediate Payment Gift Annuity:

- **Single-Life Gift Annuity** – This agreement would make payments to you or a designated individual. The rates for this option are listed on the reverse of this card.
- **Two-Life Gift Annuity** – In this agreement you may choose a second individual—spouse, child, friend, etc.—to whom the payments would continue after your death. This option, however, pays a reduced rate. Please contact us for a rate quote.

Deferred Payment Gift Annuity:

Payments may be at a higher rate if you elect to begin receiving payments one year or more after your gift. Please contact us for a rate quote.

Flexible Deferred Gift Annuity:

Another option with a deferred gift annuity is to have a flexible date to begin receiving payments, as opposed to a fixed date with a standard deferred gift annuity. Again, please contact us for a rate quote.

If you would like further assistance or information about the benefits of any of the above options, please contact us by phone at **877-247-2426**, by email at **donor-ministries@bgea.org**, or through your ministry representative.
