Dear Pastor,

What an exciting eternity-altering opportunity coming to our area! I pray you will not miss it.

I accepted the request from the local Black Hills Paha Sapa Celebration Steering Committee to fulfill the position as Pastors Leader for the Celebration event scheduled in September 2021. I immediately wanted to be part of this opportunity of strengthening the local churches and encouraging individuals in training and discipleship.

I am writing to ask you and your church to participate with me in this incredible journey. In Ephesians 3:20–21 it says, “Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus.”

I am seeking pastors in the Black Hills and surrounding areas to walk alongside me and commit to the responsibility of discipleship. **We have work to do until the Lord returns or calls us home.** Can you imagine the powerful work that can be done for the Gospel if we are united together in spirit and effort? The more who come together, the more power we have to pull down strongholds. We need to declare authority—as Paul did in 1 Corinthians 2.

The three-day Celebration weekend is designed to engage everyone, of all ages. As the Pastors Team, one of several teams working in this coordinated effort, our focus is threefold. First, training the local churches to prepare for evangelistic opportunities within their families, schools, neighborhood and communities. The second and third focus are on children and students, which are the most reachable demographic for sharing the Good News of Jesus Christ. These three areas will lead us to pray specifically in ways we can help those who feel hopeless, those who are far from God and those who have given up.

Our time is short, and there is much to do. I am currently building the Pastors Team, and I covet your partnership in this God-ordained endeavor. Please join me at 9 a.m. on January 7 for a planning meeting at our local Celebration office, 606 Cathedral Drive. We are laying the groundwork for several prayer gatherings and training events leading up to the Celebration, for which I need your help.

Will you be part of this amazing opportunity to reach our communities for Christ? Please email me at [craig@firstagrc.com](mailto:craig@firstagrc.com) and say you will join me in this great outreach—the start of something that will last for eternity.

What a privilege to serve alongside you in the Black Hills and surrounding areas that belong to the Lord. I look forward to seeing lives transformed by the power of Jesus Christ through our efforts. We are better together than on our own.
