***PLEASE NOTE:**

There is a heightened awareness today of a responsibility to take steps to ensure that people who serve in Christian organizations will not misuse what has been entrusted to them. Billy Graham Evangelistic Association (BGEA) takes this responsibility very seriously. We require potential volunteers to undergo certain screening when their role involves direct access to individuals and/or an individual's personal data. This screening may include a criminal background check. Information contained in a background check, together with other information and related circumstances, may be considered in determining an applicant's fit for a BGEA ministry role. Appropriate volunteer screening promotes a safe environment for ministry participants, respects our supporters' trust, and equips others to effectively proclaim the Gospel of Jesus Christ.
