

**LET'S WORK TOGETHER TO
REACH YOUR COMMUNITY
WITH THE LIFE-CHANGING
GOSPEL OF JESUS CHRIST.**

The God Loves You Tour is much more than a one-day event in your city—and this outreach begins and ends with churches like yours.

We want to get local Christians excited about the part they can play in bringing people to encounter Jesus, and we want to empower, equip and mobilise your congregation so they feel confident about inviting people to hear the Gospel and then welcoming new believers into your church.

DEAR FRIEND,

My father had a special place in his heart for the UK, and he was deeply grateful for the many opportunities God gave him to preach here. Much has changed since my father last held an outreach in the UK, but two things remain the same: people desperately need hope, and Jesus Christ is the only answer.

You and your church can represent this hope. I want to join pastors like you as I preach the same Gospel message my father proclaimed and invite people to turn to Christ.

Local churches were crucial to every outreach my father held in the UK, and this tour will not be possible without congregations like yours. Will you partner with us and Christians across this country through the God Loves You Tour, to “*make known with boldness the mystery of the gospel*” (Ephesians 6:19, NASB)?

May God richly bless you,

Franklin Graham

WHO WILL YOU BRING AND SHARE THE GOSPEL WITH?

The God Loves You Tour will culminate in an evening of live music and a timeless message of hope in cities across the UK next year, and here’s how you and your church can be involved:

PRAY

Come to the **God Loves You Tour Launch Meeting** where we’ll stand together in praying for revival in your city, enjoy fellowship and discuss the vision behind the tour.

Invite your church to join a **Prayer Gathering** before the tour.

Encourage your congregation to take the **I am Andrew** pledge: to pray for at least one loved one who is far from God, and then bring them to the God Loves You Tour, where they’ll hear a clear presentation of the Gospel.

ENGAGE

Sign up for weekly updates on the tour, and keep your church informed by sharing the promotional videos and materials available on our website.

Host the **Christian Life and Witness Course** and encourage your church members to attend this practical evangelism and discipleship training.

BRING

Encourage your church members to come to the God Loves You Tour and bring at least one loved one who is far from God so they can hear a clear presentation of the Gospel.

DISCIPLE

Each person who makes a decision for Jesus Christ during the God Loves You Tour will be referred to a church like yours so you can help them grow into faithful followers of Him.
