

## **Superstar**

*Lyrics for choir:*

Did you know you're a superstar?  
You never how far  
You can get from where you are  
'Cuz you're a superstar  
You don't have to play guitar  
Or drive a fancy car  
God loves you the way you are  
To Him you're a superstar

*During the "Na, Na" section they will also wave their right arm above their head, starting with the left.*

*Choreography video for the chorus attached.*

## **My God**

*Lyrics for choir:*

My God is so big and so strong and so mighty  
There's nothing my God cannot do (repeat)

## **If You're Happy And You Know It**

*Lyrics for choir:*

If you're happy, raise your hands up in the air  
If you're happy, jump around like you don't care  
If you're happy, then lift your praises high  
And tell everybody why!

*Motions: they wave their right arm above their head, starting on the left side. Then they continue this, but jump up and down starting on the second line. We will be doing these same motions on stage and leading the rest of the crowd as well.*
