At a time when people need hope the most, many suffer in silence. God stirs the hearts of His people to reach out in compassion to hurting people in their spheres of influence. The Billy Graham Rapid Response Team has developed a seminar that equips individuals to listen deeply and respond appropriately. The principles in the one-day seminar will help attendees feel confident in sharing the love of Christ with friends, neighbors, and colleagues during the tragedies of everyday life. Seminar, lunch and seminar materials all provided at no cost.
