"Oh, the depth of the riches and wisdom and knowledge of God! How unsearchable are His judgments and decisions and how unfathomable and untraceable are His ways!"

— Romans 11:33 - AMP

How to Get to BG-RRT's Dashboard

If you serve in other areas of the Billy Graham Rapid Response Team, you may need to switch pages to get to RRT's iServe Dashboard. Please follow steps below in order to do that:

The screenshot shows a web browser window displaying the iServe Dashboard for the Rapid Response Team. The browser's address bar shows the URL <https://dev-iserve.billygraham.org/portals>. The dashboard features a dark blue sidebar on the left with the Billy Graham logo at the top. Below the logo is a profile picture of Yuliana Myshkovskiy and a '- Logout -' button. The sidebar menu includes: Dashboard, Administration, Chaplain Coordinator, Deployments Admin, Deployments Viewer, Downloads Manager, Member Directory, Ministry Evaluations, Posts Manager, Reports, Tables, Support, and Training. The main content area is titled 'Rapid Response Team' and contains several sections: 'Announcements' with a 'Deployments' post from 03/28/2022; 'Birthdays this Week' featuring a 'Happy Birthday!' graphic for Ruthie Cooper on May 22; 'CERTIFICATION COMPLETED' with an expiration date of 01/04/2023; 'Bible verse of the day' with a quote from James 1:19; and 'Links' with a link to 'RRT Orientation & Training'. A blue callout arrow points to the three-bar menu icon in the top right corner of the dashboard.

Click on this button with the three bars to open the sidebar.
