# **“The Steady Hand of a Caring God”** *(Romans 8:28-30)*

The world, to many people, seems to be a random place where anything can happen. But a believer can (and should) step firmly onto the soil of life. Why? Not just because God exists, but also because God cares! There is not a single atom nor molecule out of place in God’s universe; His hands and heart are steadily controlling your every breath. Let’s examine some of the richest truths about the quality of care from a loving God:

## **I. The Certainty of God’s Care**

## **II. The Comprehensiveness of God’s Care**

## **III. The Cohesiveness of God’s Care**

## **IV. The Culmination of God’s Care**

## **V. The Condition of God’s Care**
