Blue Ridge Broadcasting Corporation (BRB) is audited annually by an independent public accounting firm. Descriptions of BRB's programs and activities, and its audited financial statements, are available upon request. Contributions are solicited with the understanding that BRB has complete control over the use of all donated funds. BRB's Board-approved policy is that all gifts designated for a specific project be applied to the project, with up to 10 percent used for administrative and fund-raising expenses. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need.

We do not provide goods or services in consideration for contributions. BRB is a listener-supported ministry of the Billy Graham Evangelistic Association, a charter member of the Evangelical Council for Financial Accountability (ECFA).
